

Grid with the Japanese character '又' (mata) in blue. The first two cells are empty, and the last two cells contain the character with green starting dots and squares.

Grid for practicing the Japanese character '又' (mata). It contains four rows of tracing exercises. Each row has four cells: the first is empty, the second and third contain the character in light blue for tracing, and the fourth contains the character in solid blue. Green dots and squares indicate stroke order.
